## GYMNASTICS

Gymnastics has been in existence for more than one hundred years. Some of the basic gymnastic skills are the stradle, pull-over, and the tuck jump. People all over the world are competing in gymnastics to be the very best. A School gymnastics program gives you the opportunity to develop athletic skills and build self confidence. A good coach will push you to do more than you knew you were capable of.

# EDITOR'S NOTEBOOK

Dear Archie Readers,

Last month I told you about the TOP SECRET PROJECT "A". If you missed it, look ashamed. Anyway, Project "A" is a comic entitled "ARCHIE MEETS THE PUNISHER". Both MARVEL COMICS and ARCHIE COMICS are working together on the most bizarre team-up of the century. It's also becoming the most eagerly anticipated crossover of all time. There isn't much more I can tell you at this time (we're still keeping some stuff Top Secret), except that there will be 2 versions of the cover. The cover you see here is a standard comic book cover, produced by Archie Comics. The Marvel version, not available at press time, will feature an enhanced die cut, foil-stamped, card stock cover. The interior of each book will be the same, but you'll want to collect them both.

So keep your eyes peeled at newsstands and comic shops around June 14 and get your copies of ARCHIE MEETS THE PUNISHER. There may not be any left by the 15th.
